## **.357 Gander Tube Mount (5699)**

- The 357 Gander Tube Mount expands the versatility of the VIP and Mini Ganders.
- The clamp can attach up to (2) .357 Magnum Micro disrupters onto a single Gander, providing assistance with initial penetration.
- The maintenance free clamp can be used on any 2" diameter stock, such as PVC pipe and tubing. Equipped with a laser mount post, the .357 Gander Tube Mount provides precise positioning. The post, set  $\frac{3}{4}$ " from each disrupter, is made specifically for the .357 laser and adapter. For more specific information, please call Scott Johns.
